OTHERS PRESENT: Steve Hergenreter, FDFD; Andy Midtling, Region V Team Coordinator; April Aljets, Region V Administrative Coordinator

New Business: Discussion and recommendation to bring to the board for the purchasing of new Hazmat truck. Region V received many quotes from Reliant Fire Apparatus giving different options of down payments/trade ins. The committee recommended putting \$125,000 down and not including the trade in. Region V can attempt to sell the old Hazmat truck themselves. This financing option would make Region V responsible for paying approximately \$78,000 per year for 10 years.

Also recommended, was increasing the county contribution per capita amount from 1.25 to 1.50.

Board will vote at Special Meeting on January 3rd, 2019.

Adjournment: Meeting Adjourned at 2:45 PM.

Respectfully submitted by April Aljets, Administrative Coordinator, Region V Hazardous Materials Response Commission and Commission.
